

MOTHER'S DAY

Lesson

Take this opportunity to help your child learn more about mothers. This is a great time to discuss your own mother and talk about what kinds of things you love about her. You can also ask your child what a mother's responsibilities are and help them see how many things they do. This will help your child understand the important role of mothers, appreciate them more, and be more patient when their mother's schedule is very busy.

Music Time

I Love Mommy
Sing to "Are You Sleeping?"

I love Mommy, I love Mommy,
Yes I do! Yes I do!
And my Mommy loves me,
Yes, my Mommy loves me,
Loves me too! Loves me too!

Snack Time

Share your favorite treat with your child if you are their mother. This is a great time for them to learn more about you and appreciate the things you like.

Activity & Games

Gather pictures of adult animals and baby animals. Show them to your child and talk about the animal mothers. If you desire, mount the pictures on cardstock, laminate, and turn the cards into a matching game!
